Addition Dice Game

Learn how to add using dice!

Directions: Add the numbers that are on top of the two dice and write the corresponding sum on the blanks.

A square representing a die with 2 dots in the top-left and bottom-right corners. To its right is a plus sign, followed by another square representing a die with 3 dots in the top-left, center, and bottom-right positions. To the right of the second die is an equals sign, followed by a light blue square representing a blank space for the sum.

A square representing a die with 6 dots arranged in two columns of three. To its right is a plus sign, followed by another square representing a die with 2 dots in the top-left and bottom-right corners. To the right of the second die is an equals sign, followed by a light blue square representing a blank space for the sum.
